

# 117th ANNUAL REPORT

Fiscal Year

July 1, 2008 - June 30, 2009

CITY OF

RUTLAND, VERMONT

PINE HILL is located on the high ground in the northwest section of what is now Rutland City. In its early history the eight-acre Pine Hill Pond was an area for boating and fishing. The area was a great location for the hiker and later for the photographer who wished to capture an overview of the growing City of Rutland. Pine Hill Pond later became known as Rocky

Pond. A small pond next to Rocky Pond is known as Muddy Pond. There is reason to believe that the two ponds were connected in the past.

In 1922 the City of Rutland established a stone crusher on Pine Hill to take advantage of the rock available for crushing for use on the streets of Rutland before the use of contemporary paving processes. By 1933 the crushing operation had ceased and its buildings deteriorated. In 1952 a community effort, led by the Rutland Chamber of Commerce, and Rotary, Kiwanis and Exchange clubs and many volunteers as well, built a beach, bathhouse, picnic tables, parking lot and a road to the pond. The area was opened to the public in 1954, but after a drowning and much off-season vandalism, the rehabilitation project was abandoned at the end of the 1957 season.

Today the Pine Hill area near the Pond has been developed into a complex of well-marked mountain bike and hiking trails maintained by the Rutland Recreation and Parks Department.

# Mayor's Message

**Christopher C. Louras, Mayor**

## **To the Citizens of the City of Rutland:**

The City of Rutland's past fiscal year, which ended on June 30, 2009, was marked by decisions that were a direct result of the nationwide recession that hit the State of Vermont in full force during the year. While the City and State were relatively insulated from the economic downturn that plagued the rest of the country through June of 2008, we were unable to avoid the dire consequences associated with job losses, foreclosures and a tightened credit market experienced by the entire region during FY09. Consequently, the City was once again required to take significant spending-reduction action during the course of the year rather than comply with the budget as approved by the Board of Aldermen.

It became evident in December of 2008 that the non-property tax revenue, (which includes State highway aid, room & meals tax, property transfer filing fees and bank interest), was going to be less than projected and a strict spending freeze was put into effect. All spending requests subsequently required prior approval by the Mayor's office and this resulted in not only reduced expenditures for small items such as office supplies and paint, but also resulted in significant deferred maintenance action on vehicles, equipment and buildings that will need to be addressed at some future time.

Additionally, and more importantly, the City continued to reduce its workforce through attrition which will certainly impact the level of services provided to the community. Three firefighters left the employment of the City and those positions were not replaced, though the staffing level at the fire department remained constant through a negotiated agreement with the union. Three police officers left the employment of the City as well, but these positions remained vacant and patrol shift vacancies were filled with school resource officers. Positions were vacated in the department of public works as well and those duties were absorbed in house. City employees continue to strive to provide the same level of service with a dwindling workforce, but we have gone past the point of creating efficiencies without reducing services.

With the understanding that taxpayers needed and deserved relief, the FY2010 budget was drafted with the goal of maintaining the tax rate, though this resulted in the need to lay off three employees. The City was successful in being sensitive to the taxpayer, though the decisions were difficult at best, and the municipal tax rate was reduced for the current 2010 fiscal year. Until the economic picture improves, the city will continue to face difficult challenges. But with the Charter change that was approved by the voters in March of 2009, the taxpayers will have the final say over the budget and associated spending. The taxpayers can view the City's economic situation as less of a challenge and more as an opportunity to make the choice of investing in our future, and in the services that the residents have come to rely on and deserve.

# **Report of the President of the Board of Aldermen**

**David Allaire, President**

## **To the Citizens of the City of Rutland:**

It is with pleasure I submit the report of the Board of Aldermen. In March, the city voters elected new members of the Board of Aldermen. The Board welcomed Bob Barrett, Joe Tilden, and also Christopher Robinson, who was elected to the Board for one year after serving several months following an appointment from Mayor Chris Louras. The new members are fully engaged and contributing to the work of the Board.

This report also includes condolences to the family of Madeline Sherman, a former member who retired from the Board in March and passed away this summer. Her spirit and dedication was a welcome addition to the Board, and the City is a better place because of her service.

The City Budget continues to be a major challenge as we move forward. In June, the budget passed below the eighty-five center charter limit, but with the layoffs of three longtime City employees, which made the deliberations extremely difficult. This Fall, the Board and Administration will begin to tackle the 2011 budget, with the proposal to be put to the voters in March 2010, for their approval after a City voter-approved charter change earlier this year.

The Board has also been busy with other issues. One of the most important is a discussion of how city government functions today, and after a presentation by the League of Cities and Towns, how we might change governance to operate more efficiently and be more accountable to taxpayers.

On behalf of the Board of Aldermen, thank you to the Administration, the Department Heads, all City employees and thank you to the citizens of the City of Rutland.

# Report of the Assessor's Office

**Barry J. Keefe, City Assessor**

## **To the Citizens of the City of Rutland:**

I am pleased to submit the annual report of the Assessor's Office for the fiscal year ending June 30, 2009.

The Grand List at April 1, 2009 totaled \$1,005,894,628 which reflects a net increase from April 1, 2008 of \$2,709,857 or .27 %. We currently have 5,952 parcels of taxable real estate totaling \$965,176,667. The balance of the Grand List is Business Personal Property totaling \$40,717,961 which is an increase over 2008 of \$4,166,126. The \$4 million change is the equivalent of about four-tenths of a cent on the tax rate which is about \$40,000 in additional tax revenue for the general fund.

Due to a sluggish economy, property transfers have been down in the past year. It does not appear that sales prices have plummeted as has been reported in other parts of the country. The ratio of sales price to assessed value has been closer to 100% than in the past few years where the market was heated. Hopefully, this leveling out will produce a more favorable equalization rate in the ensuing years.

Through the State property tax rebate program based on income sensitivity, the City received directly \$2,392,129.53 to be applied to individual tax bills. The total number of taxpayers affected is 2,203 or about half of the residential homeowners. The average amount applied is \$1,085.85.

The bottom line is that people received a lower tax bill this year. In this economy that is welcome news.

Thanks to my secretary, Marlies Washburn for her support and service to the public.

# Report of the Building and Zoning Department

**James P. Simonds,**  
**Building Inspector and Zoning Administrator**

**Annual Report - July 1, 2008 - June 30, 2009**

New Residential Construction		1,744,000.00
Residential Renovations		763,753.00
Total Building Permit Fees Collected:		\$ 11,082.00
Other Fees Collected:		
20 Sign Permits		\$ 600.00
23 Development Review Board Hearings		\$ 2,125.00

# Report of the Cemetery Commission

## Chris Book and Tom Giffin, Cemetery Commissioners

To the Mayor of Rutland, Honorable Board of Aldermen and Citizens of the City of Rutland:

Rutland City is responsible for the care and maintenance of the following cemeteries; West Street Cemetery on West Street, Old Congregational on North Main Street, Old Reformatory located behind Northwest School, and the Poor House Cemetery located off Gleason Road at the Rutland transfer station. Vermont's harsh winters, acid rain and vandalism have taken their toll on Rutland's historic burial grounds. Many monuments cannot be repaired and many inscriptions are illegible. If anyone is interested in the location of a specific burial, the commissioners have that information available upon request.

The Vermont Department of Corrections continues to be a tremendous asset in the yearly maintenance of Rutland Cemeteries. The DOC crews not only mowed the sites more than 20 times, but they also provide brush/ trash and leaf removal, stone straightening and replacing monuments. Thanks to the Department of Corrections District Manager, Mike O'Malley and work crew leaders for the efforts they have made for the city. The expense to the city for fiscal year 2009 for these work crews was \$2,000. The mowing cost was significantly higher prior to the use of DOC labor; for example the mowing cost for fiscal year 1999 for mowing was \$4,192.

In October of 2008, the Poor House Cemetery received a monument marking the abandoned and overgrown cemetery. Many thanks to Artistic Memorials owner, Henry Socinski, who donated the stone, carved the wording and set it at his own expense as his donation to the destitute citizens interred at the cemetery. Other improvements at the site such as leveling, seeding and fence repair are scheduled for completion in 2010. Markers for individual graves have long vanished from the cemetery; a published list of those interred is available.

The Poor Farm Cemetery maintenance has been an issue in annual cemetery reports many times. Ironically, in the 1991/1992 city report, the Mayor agreed he would, "clean it up, and fence the area so it would not be disturbed in the future."

This year thirteen veteran monuments from the Civil and Revolutionary Wars have been replaced with US provided granite memorials at the West Street Cemetery. These granite stones will withstand the elements much better than the current marble stones that are in deplorable condition because of acid rain and age. The commissioners are also evaluating replacing as many as 39 veteran stones at the North Main Street Cemetery in 2010. Thanks to Barbara and

Clifford Giffin and other volunteers for doing research, and documentation and the application process that is required before the replacement monuments are approved and delivered to the City.

In the coming year, the commissioners are looking forward to replacing more of these destroyed and/or unreadable veteran monuments with US issue granite replacement stones.

We have also scheduled a restoration specialist to spend some time repairing stones in the West Street Cemetery. In addition a day's training on how to repair monuments for the Department of Corrections work crew leaders will be done. The cost will be expensed by non-city funds.

The DAR continues to place flags on veterans at Rutland Cemeteries. It was wonderful to see the newly placed veteran flags at the City's Memorial Day celebration at the West Street Cemetery in May.

The Rutland Cemeteries still need much attention and if anyone wishes to make a financial donation to help in the restoration effort of Rutland's historic cemeteries, it can be sent c/o Rutland Historical Society attn: cemetery account.

Respectfully submitted  
Chris Book, Cemetery Commissioner  
Tom Giffin, Cemetery Commissioner

# Report of the City Clerk's Office

**Henry A. Heck, City Clerk**

## **To the Citizens of the City of Rutland:**

I respectfully submit the following Annual Report for the Rutland City Clerk's office for the year ending June 30th, 2009.

Fiscal Year 2008-2009 saw a change in the Clerk's office with Susan Clark (Clerk) returning to her Deputy Clerk's position. There was a tremendous effort from all within the Clerk's office to facilitate four elections, with the largest election turnout in the history of the City in November 2008. I can't thank Susan Clark (Deputy Clerk), Patty Carbine (1st Assistant), and Sara Magro (Purchasing Agent) enough for their support. They have made my transition so much easier. I would also like to thank the staff at City Hall and all the department heads for making my transition so welcoming. I'm looking forward to continuing the computerization of land records and updating procedures, making our office more efficient. I would like to thank Mayor Louras and the Rutland City Board of Aldermen for their confidence in me to perform the duties of City Clerk. I look forward to serving the citizens of Rutland City.

Henry A. Heck,  
Rutland City Clerk

*Reported Revenue from the Clerk's Office for Fiscal Year 2008-2009*  
*Total \$210,798.37*

## **Vital Records (copies & vault time):**

All certified copies of Birth certificates, Deaths certificates, Marriage and Civil Union licenses are available for \$10.00 per copy as set by the State of Vermont. Uncertified copies are available for \$2.00/copy.  
Vault time is charged at \$2.00/hour.

## **Vital records recorded in Fiscal Year 2008-2009:**

Births.....490	Resident: 177	Non-Resident: 313
Deaths.....482	Resident: 211	Non-Resident: 271
Marriages.....111	Resident: 90	Non-Resident: 21
Civil Unions.....4	Resident: 1	Non-Resident: 3

### **Land Records:**

2,298 visitors used our vault. All land records are available for \$1.00/page for each copy. Certified land records are \$10.00/page and vault time is charged at \$2.00/hour.

### **Recording Fees:**

11,092 pages of land records were received and recorded. The cost of recording land records is \$10.00/page, as set by the State of Vermont.

### **DMV Registration Renewals:**

101 DMV renewal registrations were processed. There is a \$3.00 cash fee to process your renewal.

### **Business Licenses:**

The following business licenses were issued. Business Licenses are valid from May 1st until April 30th of each year:

Restaurant & Virtual Establishments .....	101
Bowling Alley .....	1
Theatres .....	2
Hotels, Motels & Inns .....	8
Circuses, Carnivals, Shows & Fairs .....	3
1st Class Liquor Club/Cabaret License .....	24
1st Class Liquor Restaurant License .....	22
2nd Class Liquor License .....	29
Outside Consumption Liquor Permits .....	14
Entertainment Club Permits .....	14
Tobacco Licenses (with or without Liquor License) .....	38
Peddler/Solicitor Licenses .....	2
Pool Tables .....	20
Coin Machines .....	83

### **Dog Licenses Issued:**

1,106 dogs were registered. Of that, 1011 were spayed/neutered. Dogs must be registered by April 1st of each year and a current rabies certificate is required. After April 1st, late charges apply. The city's revenue portion is \$10.00 per license.

### **License fees are as follows:**

Spayed/neutered fee before April 1st \$13.00; After April 1st \$16.00

Un-spayed/un-neutered fee before April 1st \$17.00; After April 1st \$22.00

For those of you who are unable to come down to the City Clerk's Office to register your dog(s), mail us the postcard we send you along with a current rabies

certificate and proper payment. Once we receive and process this information, we will mail your dog license and tag. We hope this will make it easier for those who are unable to come in to register their dog(s).

**Elections: Primary, General, Annual City and Special Bond Election**

Changing your voting address or registering to vote:

If you are registered to vote in Rutland City and have moved to a new address within the City you may change your voting address over the phone by calling our office at 773-1801 and press 5.

If you have moved to Rutland City from another town or state you can stop by our office up to 10 days before any election and register to vote. It only takes a few minutes to register.

**Results from March 3, 2009, Annual City Election:**

- Total Rutland City Voters on the Checklist: 11,185
- Total Ballots Cast for the Local Election: 3,790 (34% voter turnout)
- Total Absentee Ballots Mailed: 604
- Total Absentee Ballots Returned and counted: 547 (91% return rate)

**The following officials were elected to office:**

**MAYOR:**  
Christopher C. Louras

**TREASURER:**  
Wendy L. Wilton

**ASSESSOR:**  
Barry J. Keefe

**ALDERMEN: (2 year term)**  
Tom DePoy, Dave Dress, Joanne Slattery,  
Kevin Coleman, Joe Tilden and Robert Barrett

**ALDERMAN: (1 year term)**  
Christopher Robinson

**SCHOOL COMMISSIONERS: (3 year term)**  
Dick Courcelle, Peter Mello, and Rob Towle

**SCHOOL COMMISSIONER: (1 year term)**  
Hurley R. Cavacas, Jr.

**Ward 3 Election Officers: (2 year term)**

Ward Clerk: Hurley R. Cavacas, Jr.  
1st Inspector: Terry D. Cavacas  
2nd Inspector: None Elected  
3rd Inspector: None Elected

**Ward 4 Election Officers: (2 year term)**

Ward Clerk: None Elected

**The following articles were voted on:**

**Article 2;** Request the VT legislature to provide reimbursement; state mandate.

**Passed**

**The following money appropriations were voted on:**

**Article 3;** Rutland Mental Health .....\$30,000.00

**Article 4;** Rutland County Women's Network & Shelter .....\$10,000.00

**Article 5;** Marble Valley Regional Transit Service (The Bus) ..\$46,140.00

**Article 6;** BROC \$10,000 .....**FAILED**

**Article 7;** Rutland Land Trust \$10,000 .....**FAILED**

**Article 8;** One-2-One \$6,000; RSVO \$8,475;  
Interage \$2,000; SW VT Aging .....\$20,000.00

**Article 9;** Association for Retarded Citizens  
dba ARC-Rutland Area .....\$35,900.00

**Article 10;** RAVNA & Hospice .....\$43,000.00

**Article 11;** Vermont Adult Learning \$9,000 .....**FAILED**

**Article 12;** Regional Ambulance Service .....\$73,491.00

**Article 13;** Boys & Girls Club .....\$27,500.00

**Total Appropriations over and above the charter limit      \$302,506.00**

**Article 14;** Stimulus Bond **Passed**

**SCHOOL ARTICLES**

**Article 1;** Rutland City School Budget ..... \$44,518,000 **Passed**

**Article 2;** Energy Performance Contract..... **Passed**

We here in the Clerks Office look forward to serving the citizens of Rutland City. We also recognize the challenges ahead of us and look forward to meeting them. Please remember that our web site [www.rutlandcity.com](http://www.rutlandcity.com) contains valuable information on all City departments, Charter and Ordinances, Minutes of the Board of Aldermen and general information on the City of Rutland. Again we look forward to serving your needs in the upcoming year.

Respectfully Submitted,  
Henry A. Heck  
Rutland City Clerk

# **Department of Public Works**

**Alan J. Shelvey, P.E., L.S., Commissioner of Public Works**

**To the Honorable Board of Aldermen and Citizens of the City of Rutland:**

I hereby submit the annual report of the activities of the Department of Public Works for Fiscal Year 2008-2009.

This Department's responsibilities are many and include the day to day maintenance and operation of city streets, including snow and ice control, sanitary sewers (including the Alpine Pipeline), storm sewer system, water distribution mains, protection of the city watershed, management of street trees, the operation and maintenance of the wastewater treatment plant and several pumping stations, the drinking water reservoir, water filtration facility and water storage facilities.

The Department also works closely with the City's Building and Zoning, Emergency Management, Attorney's, Police, Fire and Recreation Departments, as required, in both emergency and routine situations.

Public Works responds to citizen concerns and complaints on a daily basis and emergencies on a 24-hour on-call basis. Citizens are reminded to contact the Police Department if an emergency arises when the Department's business office is closed.

I would like to thank and commend all the personnel in the Public Works Department for their dedication and professional manner. I would also like to thank Mayor Louras, the Board of Aldermen and the other department heads for their cooperative and courteous attitude towards the Department.

## **Engineering Division**

**Evan D. Pilachowski, P.E., City Engineer**

**Peter T. Kelley, Engineering Technician**

The Engineering Division provides engineering and technical services for each division of this and other Departments within City government. In addition to this routine work, several projects were addressed in 2008-2009.

The Division continues working with several entities, including the Rutland Natural Resources Conservation District, Vermont Agency of Natural Resources, The Upper Otter Creek Watershed Council and the Vermont Agency of Transportation (VTrans) in the control of stormwater runoff in order to improve

water quality in the City's streams and brooks. These stormwater activities have been accomplished using a combination of State and Federal grants and private donations. One such project was completed by installing a swirl concentrator on a major stormwater outfall into Moon Brook. This swirl concentrator removes sediment and debris from stormwater prior to discharge into the brook.

Like most old New England communities, Rutland's aging infrastructure continues to present challenges. There are miles of sewer and water mains still in use that are over 100 years old, numerous bridges and culverts that will need to be replaced in the coming years, and a stormwater system that during extreme rainfall events has caused damage to public and private property and resulted in the release of untreated wastewater into waters of the state. A failure of the sewer line on Baxter St between Library Ave and Park Ave is one example of unbudgeted, emergency repairs during this fiscal year. Emergency repairs divert resources from other areas of need and are more expensive and inefficient than scheduled repairs. To avoid the expense and inefficiencies of responding to emergency situations, it is imperative that a serious commitment of resources be made to address this issue.

The temporary bridge remains at Ripley Road over Otter Creek. We continue to work with VTrans to advocate for the prompt replacement of Dorr Bridge. Other City and regional projects for which the Engineering Division has provided assistance and support include the Routes 4 & 7 paving project completed in the spring of 2008, Routes 4 & 7 Upgrade between West St and Strongs Ave, Landfill Post Closure, Center Street Alley renovation, East Creek Bike and Pedestrian Path, CSO monitoring, a drinking water quality analysis for disinfection by-products, various stormwater permit compliance activities, applications for American Recovery and Reinvestment Act funding, downtown decorative lighting projects, and numerous private sector projects within the City.

## **Forestry Division**

### **David Schneider, City Forester and Arborist**

#### **Major Accomplishments:**

##### **Watershed Management**

- Rental dozer used to create new truck access road and log landing into Compartment 6.
- Graded and restored drainage to truck roads in Compartment 2 and 4.
- Expanded Bucklin Trail parking area.
- Administered hardwood timber sale in Compartment 6.
- Assisted logging contractor with Norway spruce timber salvage sale in Compartment 2. Combined salvage and thinning operations resulted in harvest of 222,450 board feet of logs (net proceeds of sale was \$13,500.00).

- Re-blazed and repainted property boundary lines around City Reservoir and Water Treatment Plant.
- Assisted 2 adjoining property owners with timber management activities and property boundary issues.

#### **Urban Forest Management:**

- Planted 30 trees in Spring 2009 tree planting project. Twenty-seven (27) trees originated from the City's shade tree nursery. Restored nursery for replanting.
- Planted 23 trees in Fall 2008 tree planting project.
- Responded to December 12th ice storm. Public tree losses set at 4 trees with dozens sustaining light damage.
- Pruned 381 trees throughout the City. Pruned additional 66 trees damaged during December 12th ice storm for sidewalk clearance.
- Brush removal/right-of-way management activities completed on Lyman Avenue, water transmission mains near Marolin Acres.
- Recertified as International Society of Arboriculture Arborist.
- Continued as Municipal representative on Vermont State Urban and Community Forestry Council.

#### **Other Activities:**

Assisted other Department of Public Works divisions with snow removal, water system leak, and vegetation management operations. Assisted Department of Parks and Recreation with timber harvesting issues on adjoining Rutland Country Club property and power line clearance salvage operations.

## **Street Division**

### **Dan Maniery, Manager**

In addition to regular maintenance work, the Street Division completed the following projects during the fiscal year 2008-2009:

Reclaimed and paved Killington Avenue from Butterfly Avenue to Ronaldo Court, approximately 300 feet correcting a significant drainage problem.

Widened the turn radius at the southwest corner of Stratton Road and Jackson Avenue, improving traffic flow and safety.

Cold planed and paved east side of South Main Street from the Midway Diner to West Street smoothing a rough section of roadway.

Installed new lights, sidewalk and curb on Center Street from Wales Street to Court Street in a continuation of the Downtown Ornamental Street Lighting

Program which is funded by a grant through the State of Vermont and with local share provided by DPW labor and equipment. .

Reclaimed and paved Curtis Avenue, approximately 800 feet.

Paved Water and Sewer Division ditches.

Replaced approximately 500 feet of sidewalk at various locations throughout the City.

The Street Division also paints STOP bars, parking spaces and crosswalks. We try to do this twice a year, weather and resources permitting.

The cost of salt for winter maintenance was approximately \$200,000. No winter sand was used on city streets during the winter and the sand for the city residents was screened and hauled in from the Water Treatment Plant at no cost.

As in previous years, we worked with the Recreation Department on improvements to Rotary Park.

The Street Division also provided emergency assistance in the aftermath of the heavy rain storms which caused flooding and road damage within the City.

## Wastewater Collection Division

**Paul Julius, Manager**

In addition to routine maintenance, the following construction/repair work was completed:

	Cost
25 new basins installed .....	\$52,000.00
16 new manholes installed .....	\$32,000.00
4 sewer main repairs .....	\$12,500.00
6 storm sewer repairs .....	\$5,000.00
35 catch basin repairs .....	\$4,500.00

# Wastewater Treatment Division

**Robert E. Protivansky, Chief Operator**

**David O'Neill, Laboratory Director**

In the past year the Wastewater Treatment Facility has processed nearly 2 billion (1,844,520,000) gallons of domestic wastewater and storm water.

**As part of the treatment process, the following chemicals were used:**

Sodium Aluminate (Phosphorous Removal) .....	41,967 gallons
Sodium Hypochlorite (Bacterial Disinfection) .....	36,886 gallons
Sodium Bi-Sulfite (De-chlorination) .....	26,561 gallons

Other statistics include:

Electrical usage .....	1,591,000 KWH
Bio-solids received from Municipalities .....	1,935,000 gallons
Septage received .....	70,650 gallons

Materials removed from the waste stream:

Grit, sand, and gravel .....	82.2 cubic yards
Raw Sludge .....	7,267,700 gallons
Processed Sludge (sent to a landfill) .....	4,139.06 wet tons
Methane gas produced (used in the boilers) .....	9,381,053 cubic feet

Monthly Average of Monitored Pollutants:

	Influent	Effluent	% Removal
Biochemical Oxygen Demand	107 mg/l	4 mg/l	96.4
Total Suspended Solids	115 mg/l	6 mg/l	94.8
Total Phosphorous	3 mg/l	.3 mg/l	90.0

Income from Other Sources:

Septage Receiving Fees .....	\$8,407.50
Water Testing Fees .....	\$11,165.00
Sludge Receiving Fees .....	\$135,950.00

**A partial list of accomplishments for the year include:**

- Installation of a backup generator at the Dorr Drive pump station
- Purchase of portable generators to ensure continuous power at four smaller pump stations

## **Water Distribution Division**

**David Sears, Water Distribution Manager**

The Water Distribution Division is responsible for the installation and maintenance of all water mains in Rutland City and maintenance of the water system for Rutland Town by contract. The division is also responsible for service, repair and flushing of approximately 650 fire hydrants though out the City and the Town.

We repaired 7 water leaks this year which is about average for us. We made several new water service taps. Also we replaced 4 old fire hydrants with new hydrants.

In the spring of 2009, we began a project on Lincoln Ave. to install 3 new water valves for control points that did not exist. Because of our aging infrastructure, as we closed valves to isolate areas to install new valves we broke several old valves that then needed to be replaced. A project to install 3 valves turned into installing 3 valves and replacing 7 valves.

On June 30, 2009 The Department lost 2 dedicated employees to retirement. Water Distribution would like to thank Thomas Crosby and Erwin Pinney Sr. for their years of service to the Department. You will be missed.

## **Water Treatment Division**

**Mike Garofano, Water Treatment Manager**

**Scott Taggart, Assistant Water Treatment Manager**

The City of Rutland's Slow Sand Water Filtration Facility treated a total of 827,686,700 gallons of water during the last fiscal year. The chemicals used during the process were 3,500 gallons of fluoride, 3,500 gallons of zinc-orthophosphate, and 19,000 gallons of sodium hypochlorite.

The City spent approximately \$70,000 on regulatory operating fees, reporting and sampling cost associated with State and Federal guidelines. The City and the Town of Rutland entered into an agreement where the City is responsible for water quality monitoring in the Town.

Projects completed this year were:

Additional water sampling in the distribution system as required by the EPA.  
Roadway improvement utilizing recycled materials from Route 7 paving.

# Report of the Fire Department

## Robert Schlachter, Chief Engineer

It is again my privilege to report on the status of your Rutland Fire Department during the period July 1, 2008-June 30, 2009.

### Your Fire Department at Work

The fire department responded to a total of 1886 calls for service. They are classified as follows:

Fires in Structures	81	Other Types of Fire	11
Hazardous Materials	105	Vehicle Fires	11
Rescue/EMS Assist	85	Hazardous Condition	98
Brush/Grass	8	False Alarms	238
Service Request	1228	Rubbish/Dumpster	18
Mutual Aid Given	3		

We responded to Mendon (33) times where we provide contract fire/rescue services for the entire town. We responded (17) times to contract properties in Rutland Town. We provided mutual aid (3) times. There were (5) General alarms bringing back all full time and part-time personnel. Mutual Aid was received (6) times including. The General Alarms were at: Sheldon Towers, Water Street, 191 West Street, 34 Forest Street, and the Mintzer Complex on West Street. The department responded to a number of water emergencies during this period related to heavy rainfall.

### Personnel

As of June 30, 2009 the department had 25 full time personnel and 18 part time personnel.

During fiscal year 2009, Firefighter Nicole Chapleau resigned from full time status to accept a position with the Middlebury Police Department and Firefighter Chris Johnson retired from the full time ranks. We thank them for their service and wish them well in their future endeavors. These departures coupled with the retirement of Firefighter Thomas DiPalma in May 2008 leaves the department with three vacant positions that have not been filled due to the tight budgetary situation faced by the City at the end of FY 2008 and during FY 2009.

Two personnel were promoted during the report period. They were Lieutenant Ernest Cioffi to the rank of Deputy Chief and Firefighter Brad LaFaso to the rank of Lieutenant.

Reduced staffing has reached a point where services are affected. While we strive to do the best we can with the resources we have during these difficult times, the expectations of the public we serve must be realistic. The department has gone from a staffing level of 12 on duty in the 1980's to a staffing level of 7 on duty

today. We have gone from having the department dispatch desk staffed at all times, to turning dispatch including the emergency phone and municipal fire alarm system over to another agency when our on duty personnel respond to an incident requiring all on duty personnel. We call in additional resources as needed which typically take 8-15 minutes to begin arriving on the scene. We also use mutual aid when appropriate.

During these difficult times when you visit the Fire Station if we are out at an alarm you will have to wait, or come back another time to carry on non emergency business with the department. Tour groups are advised that if there is an alarm requiring response by all on duty personnel they will have to leave the building until we return. Alarm service companies and other non emergency business calls go to voice mail and calls are returned when the on duty personnel return. I can assure members of the community that the department will continue to respond quickly and provide the best possible service within the constraints of the resources we are given.

### **Equipment**

The department apparatus fleet consists of (4 engines) including one Quint (Ladder Equipped Engine and an Aerial Platform, two service utility vehicles, a fire alarm maintenance bucket truck, a Hazardous Materials/Decontamination Trailer and a Technical Rescue Trailer.

### **Services Provided**

The department provides fire suppression, fire prevention/education, hazardous materials response at the operations level and decontamination. In addition we are trained and equipped to respond to technical rescue incidents involving extrication from vehicles and machinery, rescue from confined spaces, trench collapse and can perform rope rescue operations. The department provides contract fire protection to the Town of Mendon, several large businesses in Rutland Town and contract Crash/Fire/Rescue services to the Rutland Southern Vermont Regional Airport. In addition to emergency duties members maintain the municipal fire alarm system, maintain apparatus and equipment and the fire station and grounds while on duty. The department also assists with community projects such as hanging banners downtown, and other community promotional efforts.

### **Training & Education**

In addition to responding to calls for service from the public, employees spend hundreds of hours training, presenting public education programs, and conducting pre-incident planning for emergency responses. During this period, members of the department attended regular training to maintain their skills and state certification. They also attended specialized training in Hazardous Materials, Aircraft Crash Fire and Rescue, Technical Rescue Operations, Safety and a variety of other specialties.

## **Grants**

The department has applied for and received over \$690,000 in state and federal grants over the past few years. These grants have allowed us to upgrade our communications system, purchase protective equipment for our members, replace our outdated emergency generator, and develop and maintain the ability to respond to special hazard calls such as hazardous materials, and technical rescue. The department continues to aggressively apply for grant funds, however due to changes in priorities at the national level the pool of such funds is shrinking. We have one grant application pending at the time this report was prepared for the 2009 Federal Fire Act Grant. We will be applying for a Federal Fire Prevention Grant in the fall of 2009.

## **Chief Engineer & Emergency Management Directors Report**

As your Chief Engineer, I work to make sure the Rutland Fire Department is trained, and equipped to handle the emergency situations that may affect Rutland. I attend many meetings representing the City and the Fire Department in the City of Rutland, in surrounding towns, at the Vermont Fire Academy in Pittsford, and in Montpelier and Waterbury. These meetings are important as to make sure Rutland is represented at the local, regional and state level for planning and to help obtain grants. I have also attended meetings of Rutland United Neighborhoods and other community groups as requested. In addition to my duties as Chief Engineer, I serve as City Emergency Management Director and represent the Fire Service on the Governors Homeland Security Advisory Council and the Vermont Enhanced 911 Board.

## **Emergency Management**

Maintain and update the Rutland City Rapid Response Plan and Rutland City Emergency Plan. Attend monthly Local Emergency Planning Committee meetings LEPC # 2 covers all of Rutland County and assists with local, regional and state level planning for all hazard response. Monitor possible sources of grant funding for City emergency preparedness projects. Respond to and assist in the coordination of services at natural and man made emergency situations within the City or Rutland and the Rutland Region.

## **Open Burning**

We receive numerous complaints about people burning anything from brush to trash in the city. The following information is provided regarding open burning within the City of Rutland. Due to the fact that the City is so densely populated open burning is not permitted without a permit from the Chief Engineer. Such permits are only issued for the occasional bonfire at a school or college or for municipal emergency situations. Cooking fires are permitted but only clean untreated wood, charcoal or LP gas may be used for fuel. If an outside fire is creating a nuisance it may be extinguished by the department.

## **Fire Prevention**

In closing as I write this report the winter heating season is approaching. Fires related to improperly installed and maintained heating equipment are a major problem in Vermont.

The Rutland Fire Department would like to offer some suggestions to the citizens of Rutland in an effort to prevent the loss of life and property due to fire.

- Install and maintain smoke alarms on every level of your home/apartment and in each sleeping room. Make sure they are working. If your smoke alarms are powered by a battery, change the battery every six months and test the smoke alarm regularly.
- Install and maintain Carbon Monoxide alarms in your home. Carbon monoxide is a deadly, colorless, odorless, gas that is produced by burning fuel. Carbon Monoxide alarms can alert you to the presence of this gas before it becomes a problem.
- Have your heating system inspected and serviced by a qualified technician before winter weather hits.
- If you burn wood or coal have your chimney cleaned and inspected prior to the heating season, then inspect and clean your chimney regularly during the heating season.
- Remove ashes in a covered metal container and place the container outside, well away from the house and other combustible materials. Do not vacuum ashes from fireplaces or stoves they may still be live and cause a fire.
- If you have gas fireplace(s) or heater(s) have them inspected and serviced by qualified gas technicians and make sure the venting system is in good condition and supply air intakes are clear of obstruction to reduce the possibility of Carbon Monoxide poisoning.
- The use of portable un-vented kerosene heaters is prohibited in rental units and is discouraged in private homes.
- LP gas heating units should be installed by a qualified technician.
- LP gas cylinders must not be brought into your home. Many types of LP gas heaters are available for purchase. Many of these are intended for utility and use outdoors in a workshop, shed or garage where there is plenty of combustion air. LP gas cylinders in living units are a hazard to the occupants and firefighters who may respond to an emergency and not know of their presence.
- Prior to installing any new heating equipment read and follow the manufacturers instructions. Professional installation by qualified people will reduce the chances of a problem.

- If you have any type of fire no matter how small call the fire department. Many structure fires start as chimney fires. If your smoke alarm or Carbon Monoxide alarm sounds call the fire department. Use a fire extinguisher only if you can do so safely and have an exit at your back and have someone call the fire department.
- Keep fuels such as LP Gas, Kerosene and Gasoline outside your home. Do not store them in the basement or in the house.
- If you use space heaters make sure they are in good condition and keep them away from things that may burn such as paper, plastic, clothing, furniture, and bedding.
- Electric heaters should have a label indicating listing by a recognized testing laboratory such as UL Underwriters Laboratories. Electric space heaters should be used in full compliance with the manufacturer's instructions. The use of extension cords for electric space heaters should be avoided.
- Space heaters of any type should not be left un-attended.
- Keep your exits clear of ice and snow and do not obstruct exits with furniture, storage items or appliances.
- Have an emergency escape plan make sure everyone in your home knows the plan and practices it. Have a designated meeting place away from the building.

For more information about fire safety contact the Rutland Fire Department at 773-1812. Members of the public are encouraged to visit the department during normal business hours. Tours can be arranged for school and community groups.

On behalf of the Fire Department, I would like to thank the Mayor, Board of Aldermen, City Hall personnel, the School Department, DPW, Recreation Department and all city officials and employees who assisted the Fire Department in any way during the past year. We again offer our thanks to the citizens of our city for their continued support of their Fire Department. Also a very special thank you to our Mutual Aid partners for their assistance, many times this past year with emergencies and special projects.

If you have any questions about fire safety, emergency preparedness, or the Rutland Fire Department please call us at (802) 773-1812.

Thank you, again to the citizens of Rutland for your support of the Rutland Fire Department.

Respectfully Submitted,  
Robert Schlachter  
Chief Engineer

# **Rutland Fire Department**

## **Open Burning Information**

### **Open Burning**

Open burning other than small cooking fires is not permitted within the City of Rutland unless a permit is issued by the Chief Engineer. It is always a good idea to check with the department if you have a question.

The reason for this policy is that Rutland is a densely populated community with buildings close together. In addition to the possibility of a fire spreading to a structure there are concerns about air quality and the nuisance smoke can create for people with respiratory problems.

The policy on issuing burning permits is as follows:

The only permitted open burning in the city will be:

- Small fires for cooking, including clean untreated wood, LP gas or Charcoal are allowed without a permit.
- Fires for educational institutions or community events such as bonfires for sporting events. In the case of a bonfire the fire department stands by while the fire is in progress these fires are typically in more remote areas of the City.
- Emergency situations as directed by health officials or the Mayor.

The burning of trash, painted/treated wood, shingles, tires and similar materials is prohibited by state law. Only clean, untreated wood can be burned at a permitted fire. Persons who have un-permitted fires or are burning illegal materials are subject to being issued a ticket for violation of the open burning ordinance and may be subject to additional state enforcement actions.

# **Report of the Rutland Historical Society**

**Chuck Piotrowski, President**

The Rutland Historical Society is an all-volunteer non-profit organization that serves the community through collecting, preserving and sharing the history of the communities of the old Town of Rutland. It continued over the past year to promote the history of Rutland in these communities and throughout the world. Here is a summary of the activities over the past year.

## **In the Community:**

The Society's commitment to the community continued unabated. Society members gave presentations for the Godnick Center Triad Program, Loretto Home, Interage, Grace Church Scouts, Rutland County Foster Grandparents, Tiger Scouts, College of St. Joseph, and Christ the King 3rd Grade class, The Pines (Eden Park), and Kervick Center. An exhibit was presented at Lake Sunapee Bank during Friday Night Live and the Society participated in both the Halloween and the Loyalty Day parades. Members participated in the Rutland Creative Economy, Main Street Park improvement project, and the "Branding of Rutland" project. The Society worked with the Free Library to host two events in the Fox Room featuring prominent Vermont researchers. Finally, the Society continues to excel in its core mission of collecting the history of Rutland. While many collections were accessioned to the Society's holdings the Society was very happy to work with the city treasurer's office to ensure the preservation of historic city records that no longer had administrative value to city operations.

## **In the Schools:**

The Society endeavored to encourage Rutland youth to get involved in their past. The Society's research library was used by students of all ages. Classes visited the Society and Society members visited the classrooms and led walking tours for students in Rutland and from abroad.

## **In Vermont:**

The Society continued its statewide leadership among local historical societies. Society members gave a presentation on the Society's innovative use of information technology and television at the Vermont Local Historical Societies/Vermont Museum and Gallery Alliance joint annual meeting.

## **In Print and on Disc:**

News from Nickwackett, the Society's Newsletter, and the Rutland Historical Society Quarterly, the Society's award winning publication, were published regularly throughout the year. The Quarterly featured explorations of local history written by local volunteer authors. Helen Davidson continued to write the weekly column, "Tidbits from Then and Now" for Sam's Good News. The Society

produced its first multimedia publication, The 1884 J.L. Beers Map of Rutland, this year. It is a scan of the 5 foot by 5 foot original map.

**On Television:**

The Society continued to produce its award winning Historically Speaking. As of this report 107 episodes of the popular half-hour television program have been created and broadcast to the community. In the Fall of 2008, the Society created a second program called Notes From the Past and has produced 10 episodes.

**On the Web:**

The Society's webpage, [www.rutlandhistory.com](http://www.rutlandhistory.com), averages over 1,000 hits per day and has had well over a million hits in its short life. The website continues to add free content for the community and the world to use and enjoy, including out of print issues of the Quarterly and its newsletter "News From Nickwackett" Its free message board has been used by many to aid in local, national and international research of Rutland history.

**In the Society:**

The Society's 12 committees maintained a high level of activity and progress throughout the year. The success of the Society has led it to receive many donations of materials. The quantity of gifts pushed the Society's storage space to its limits in 2009. The Society convened a select committee of volunteers and charged them with resolving the space crunch. This committee identified needs, analyzed potential solutions and came to a strong consensus. While the Society could have embarked on a "build more" project, it chose a "maximize efficiency" plan. The Society has embarked on a project that will ensure that its current space is utilized to maximum efficiency. The committee projects that by maximizing storage in the existing space at the Nickwackett Firehouse, the Society will have plenty of storage space for years to come.

Finally, it must be noted that none of the above could have happened without the commitment and leadership of volunteers. Every year the Society's members give unselfishly to the institution and continually demonstrate their love not only for history, but also for the Rutland community past and present.

Respectfully Submitted,

Chuck Piotrowski,  
President

# **Report of the Legal Department**

**Andrew G. Costello, City Attorney and Grand Juror**

To the Honorable Board of Aldermen and the citizens of the City of Rutland:

In the past year, the City Attorney's Office has continued to work on the numerous legal matters that confront the City. Among others, these areas include representing the City in union negotiations and ongoing litigation. The City Attorney's Office also continues to provide legal counsel to various departments and boards.

While this report is going to print, the City continues to be involved in negotiations with the American Federation of State, County and Municipal Employees Union that represents employees in the Police Department. Shortly after the new year, the City will begin negotiations with the AFSCME Union that represents employees in the Public Works Department. With all negotiations, the City's goal is to reach a fair contract settlement that keeps in mind the economic realities confronting the City of Rutland.

A number of active court cases continue with the City as either a plaintiff or defendant. The largest case is the ongoing litigation related to the collapse of the water filtration plant roof in August of 2004. This matter involves numerous defendants and expert witnesses, along with rather complex issues relating to construction law. In addition to this matter, the City is also involved as a defendant in cases involving benefits disputes with former employees, sewer backup claims and motor vehicle accidents.

As always, the City Attorney's Office continues to consult and advise all City employees and officials on legal matters that arise on a daily basis.

A special thank you to Administrative Assistant Lisa Pearson for all her help during the past year.

# **Report of the Rutland City Police Department**

**Anthony L. Bossi, Chief of Police**

To The Citizens of Rutland City:

I am pleased to submit to you this Annual Report of the activities of the Rutland City Police Department for Fiscal Year 2009.

The Police Department has 38 sworn full time officers and 11 full time civilian positions. Corporal Ed Larson and Officer John Tuepker retired this year after many years of dedicated service to the citizens of the City of Rutland. We wish Ed and John well in their retirement; they both will be missed.

Total Part 1 and Part 2 crimes were down 7.1% from last year, down 15.9% from 10 years ago and down 26.5% from 20 years ago. The department investigated 16% less motor vehicle crashes this year compared to last year and 49% less motor vehicle crashes this year compared to 10 years ago. Approximately 70% of crime in Rutland is alcohol and drug related.

Rutland United Neighborhoods (RUN), the Rutland Recreation Department and the Rutland Police Department sponsored Rutland's 7th Annual National Night Out. Special thanks to the volunteers and the NNO Planning Committee for making the event such a huge success. I would like to express my appreciation for the support the Police Department receives from Mayor Christopher Louras, the Police Commission, Board of Alderman and other city departments. Additionally I would like to thank the supervisors of the Rutland Police Department and all the members of my department for their dedicated service and commitment to providing the best possible police services.

## **Day Shift I**

The members of Day Shift 1 continued to serve the citizens of Rutland City throughout fiscal year 2009, answering 3,238 calls for service, effecting 273 arrests and issuing 481 Vermont civil violation complaints for motor vehicle related offenses.

Day Shift 1 is currently comprised of Sgt. Debra Perkins, Cpl. Charles "Chuck" Hall, Officer Ed Dumas, Officer Chris Greene, Officer Greg Sheldon, Officer Mike Nesshoever, Officer Steve Schutt, Communications Operator Laurie Walters and Communications Operator Brad Hale who is assigned from noon to 1800 hours. Cpl. Ed Larson was re-assigned to Day Shift 1 from February 2009 to the end of June 2009 when he and Officer John Tuepker both retired from the

Rutland City Police Department taking with them over sixty years combined law enforcement knowledge and experience.

Shift members went above and beyond training requirements this year by also participating in Taser certification, counter drug aviation, interdiction, emergency management, leadership, driver training, and ground fighting instructor course, Manadnock defensive tactics and mission critical communications.

In addition to their daily assigned duties and tasks, shift members also worked as educators and ambassadors of good will within RCPD, the law enforcement community and the Rutland City School System. Cpl. Hall completed Field Training with our own officers as well as officers from other agencies who looked to RCPD to help fulfill necessary training requirements. Officer Schutt instructed RCPD members in the areas of self defense and taser certification and updates. Communications Operator Walters provided instruction in the areas first aid and life saving. Also, CO Walters' efforts made possible training for communications Operators state wide in mission critical communications at the Vermont Police Academy during the month of May 2009. Realizing the value of the course offering, she worked with Academy staff and presenters to make the training possible in Vermont. Officer Nesshoever worked as a training assistant to instruct Vermont Police Academy Candidates and often volunteered his time to do so. Officer Sheldon continued his work as an Advisor to the Police Explorers. Communications Operator Hale gathered assembled and distributed backpacks filled with school supplies to several youths in attendance at Northwest Primary School and Pierpoint Primary Learning Center in the fall of 2008.

Day Shift I is committed to serving the citizens of Rutland City. No problem is too great or too small and on more than one occasion the term "bring it" has echoed through the patrol room.

## **Day Shift II**

Day Shift II is one of two day shifts at the Rutland City Police Department and is currently comprised of five sworn law enforcement officers and two civilian communications operators. Three of the sworn police officers assigned to Day Shift II have served in their respective branch of the United States Military with all three Officers achieving a Non-Commissioned Officer rank prior to their completion of service and Honorable Discharge from active duty. Three of the sworn police officers and one of the Communications Operators assigned have completed post secondary education and hold a college degree in their respective field of study as well. One of the sworn police officers assigned has attended the Federal Bureau of Investigation National Academy at the FBI Academy in Quantico, Virginia where his studies concentrated on Interview / Interrogation strategies and Interpersonal Violence. In total, the sworn and civilian personnel

assigned to Day Shift II represent 146 years of dedicated service to the Rutland Community.

In addition to the standard compliment of law enforcement training received during the course of their respective careers, Day Shift II personnel have additional specialized area(s) of law enforcement training and expertise. These specialized area(s) are, but not limited to; Police Motor Cycle Operation, Traffic Crash Reconstruction, State certification to instruct traffic crash investigation, DataMaster Supervisor/Technician (infrared breath alcohol testing unit), Portable Breath Testing repair technician (field breath alcohol testing unit) and mobile video unit repair technician just to name a few.

Besides their assigned duties and required responsibilities, several members of Day Shift II have volunteered to serve on the Rutland Police Benevolent Association Executive Board as both a Board Member and President in past years. One member has also served as an Executive Board member and President of the Vermont Police Association and continues to serve on the VPA's Board of Trustees.

During the fiscal year ending June 30th, 2009, Day Shift II personnel were involved in the following events and duty assignments:

1. Assigned to over 3,263 criminal complaints and requests for service,
2. Assigned as assisting officer in over 1,635 criminal complaints and requests for service
3. Took 180 person(s) into custody for alleged criminal conduct (misdemeanor and felony crimes)
4. Initiated 1,148 traffic stops for deviant operation and violation of Vermont's motor vehicle laws and Rutland City traffic ordinances.
5. Issued 240 Civil Traffic Violation Notices to motor vehicle operators violating various requirements of Vermont's motor vehicle laws and Rutland City traffic ordinances.
6. Issued 702 verbal warnings to motor vehicle operators violating various requirements of Vermont's motor vehicle laws and Rutland City traffic ordinances.

Day Shift II personnel are also pro-active in their participation in the Rutland United Neighborhood Project and fully support the concept and practical application of Community Based Policing / Problem Solving. Day Watch II personnel also actively participate in, but not limited to, all Highway Safety campaigns (such as Click It or Ticket), Project S.T.A.R.T. (which addresses teenage drink-

ing), National Night Out (which is designed to promote stronger interaction between the Community and their Police Department) and more.

## **Night Shift I**

For the period 1 July 2008 through 30 June 2009, officers on Night Shift 1 handled 3,033 calls for service, made 199 arrests, stopped 763 vehicles, and wrote 482 traffic tickets. Last year (1 July 2007 through 30 June 2008), officers handled 3,129 calls for service, made 246 arrests, stopped 1,112 vehicles, and wrote 839 traffic tickets.

Between July and December 2008, officers assigned to Night Shift 1 were Sergeant Linda Elrick, Corporal Robert Gorruso, Officer Matthew Prouty and K9 King Riley, Officer Craig Hunt, Officer Seth Richardson, and Officer Jason Johnson. Between January and June, 2009, officers assigned to Night Shift 1 were Sergeant Linda Elrick, Corporal Andrew Todd, Corporal Matthew Prouty and K9 King Otto Von Sweet Thing, Officer Craig Hunt, Officer Jason Johnson, and Officer Ted Washburn. All these officers bring 93 years of police knowledge and experience to the City of Rutland. We welcome Officer Ted Washburn who was hired in March, 2008, son of retired Vermont State Police Sergeant Alfred "Fred" Washburn. Communications Operators Lynette Gallipo and Brad Hale bring 30 years of dispatch knowledge and experience to the City of Rutland.

Shift personnel continue to participate in a variety of community and police related programs including the Click It or Ticket Highway Safety Enforcement Program, the underage drinking program initiative called Project S.T.A.R.T., Canine Demonstrations, and Child Safety Seat Fitting Stations.

Communications Operator Lyn Gallipo continues as a certified child safety seat inspector and this year completed 49 inspections. The Rutland Car Seat Fitting Station was again the busiest in the state.

Communications Operator Brad Hale initiated a community service project this year in which he asked for donations from Department employees to assist him in buying and filling backpacks for school children of less fortunate means and obtained enough money to purchase and fill 17 backpacks with school supplies.

Officer Hunt continues his extra duties as the Shift's Crime Scene Technician and he is regularly assigned to various incidents where he is found collecting fingerprints, taking photographs, and collecting evidence.

Officer Frank Post continues to be certified to inspect commercial vehicles and regularly performs commercial vehicle inspections.

Officer Prouty was promoted to Corporal on June 8, 2009.

Sergeant Elrick and Corporal Prouty serve on the Department Honor Guard.

Officer Jason Johnson and Officer Ted Washburn received a Good Fitness Standard Award (60 percentile rating) during our Annual Physical Fitness Testing. Corporal Matt Prouty, Officer Frank Post, and Officer Seth Richardson all received an Excellent Fitness Standard Award (75 percentile rating).

Officer Craig Hunt and Corporal Matt Prouty both received the Five Year Safety Award for performing their duties with no preventable traffic accidents.

Officer Jason Johnson received an Attendance Certificate for perfect attendance over the past two year period.

Corporal Prouty's K9 King Riley retired on 18 August 2008 after over seven years of faithful service to Matt and the City of Rutland. Corporal Prouty has a new partner: K9 King Otto Von Sweet Thing, a Doberman Pinscher. K9 King Otto successfully graduated from Canine Narcotics Detection Training in April, 2009, and will attend the Patrol Dog Training later this year.

Corporal Prouty received the Life Saving Medal as a result of responding, off duty, to a report of a cardiac arrest. Responding ambulance attendants found Corporal Prouty performing CPR on the patient and he continued CPR while Advanced Life Support was being initiated. After a short period of time, the patient regained a pulse and respirations and the patient recovered.

Corporal Prouty and K9 King Riley received the Rutland Police Department/Rutland Police Benevolent Association Police Service Award for seven years of exemplary service as a K9 Team. Riley was trained as a Patrol Dog in the areas of Building Search, Tracking, Handler Protection, Evidence and Article Recovery, and Apprehension. Riley was trained as a Narcotics Detection Dog to locate marijuana, hashish, cocaine, crack, heroin, methamphetamine, and ecstasy. Throughout their partnership, Matt and Riley assisted in confiscating a minimum of \$59,541.00 worth of illegal drugs and paraphernalia, \$24,745.00 in money tied to drug sales, and 3 guns tied to drug trafficking. They handled 321 assigned calls, including alarms, burglaries, thefts, robberies, accidents, assaults, disorderly conducts, stabbings, runaways, various traffic offenses, and many drug incidents. Over the years they received other awards including Second Place in the 2005 Green Mountain Iron Dog Competition, the 2006 Vermont Police Canine Association Patrol Team of the Year, and the 2007 Vermont Police Canine Association Handler of the Year.

Whether the officers on Night Shift 1 are writing traffic tickets, making arrests, or investigating calls for service, the men and women of Night Shift 1 are hard-working professionals who believe in providing excellent service to the citizens of the City of Rutland. I personally wish to thank every one of them for their dedication and professionalism as they protect and serve the citizens of the City of Rutland.

## Night Shift II

Night Shift 2 is one of the two shifts that work 1800-0600 hours, rotating over a two week period for the Rutland Police Department.

For the fiscal year ending June 30, 2009 this shift was comprised of six (6) sworn officers, and two (2) communication operators.

Allow me to introduce to you the staff of Night Shift 2, and their years of service to the Citizens of Rutland and the Rutland Police Department.

Sergeant David Schauwecker, 22 years, Corporal Matthew Prouty 9 years and his K9 Partner King Otto, Officer Joseph Bartlett 9 years, Officer Ken Mosher 2 years, Officer Justin Souza 1 year, Communications Operator Patricia Dunchus 22 years, and Communications Operator Erin Towsley 1 year. Erin works the 1200-2400 hour shift. Currently, NS2 has one Police Officer vacancy.

Corporal Prouty comes to Night Shift 2 from Night Shift 1 after being recently promoted to his current rank. He and King Otto are currently in training at the Vermont Police Academy for Patrol K9. We wish them well and welcome them both to Night Shift 2. They truly are an asset to our Department.

Night Shift 2 had a very busy year.

Below is a breakdown of what Night Shift 2 personnel accomplished in the past 12 months.

1. We responded to 2141 calls for service.
2. We arrested a total of 385 subjects for criminal behavior for both Felony and Misdemeanor offenses.
3. The shift was very busy with traffic enforcement and issued a total of 1262 tickets.
4. 385 Radar hours.
5. 2227 occupants were wearing seatbelts and 448 occupants were not wearing seatbelts during those stops.
6. Officers conducted 1446 Traffic Stops.

The members of Night Shift 2 continue to provide their support for the city of Rutland throughout the year by assisting in many community activities. The shift takes a zero tolerance stand to underage drinking and has issued many Court Diversion and Civil tickets for these offenses.

The officers were also involved in many events to include but not limited to Click it or Ticket, DUI and Safety check points, Highway Safety enforcement, S.T.A.R.T. and assisted and or conducted many Search Warrants for Narcotics.

Officers spend many hours throughout the year in Criminal Court and Traffic Court. Most of these hours occur on their days off. Training is very important to the Officers and the Department. Laws are always changing and it's very crucial that they stay on top of the new laws. In addition, the Officers attend mandatory "in house" training provided by certified instructors in keeping with the Rules of the Vermont Training Council.

Our Communication Operators are highly trained and are the "back bone" of our Police services. They tell the Officers where to go and how to get there.

Night Shift 2 has received several letters of Appreciation throughout the year which boost morale and it lets the Officers and Communication Operators know that they are doing a great job.

As always, if you ever need our assistance, please call us. It has been our pleasure to serve the Citizens of Rutland and look forward to the next year.  
Bureau of Criminal Investigations

The Bureau of Criminal Investigations is primarily responsible for the investigation of all major crimes, as well as a support service to the uniformed officers. We further assist the administrative support services unit of the department when needed. The investigation unit consists of detectives who have received the specialized training in all areas of law enforcement. In addition, the crime lab offers another level of support services.

In the past 12 months, 213 new investigations were opened on a wide range of offenses, resulting in 66 arrests being made, with some cases remaining active at this time and possibly pending further arrest. Some investigations literally go on for months depending on a number of different factors.

Detectives involved in the investigation of narcotics continue to be very busy, and have had another successful year in their efforts to identify and apprehend persons distributing illegal drugs in our community. This year exceeded more than \$29,860.00 in street value of drugs confiscated. The drugs, heroin, powdered cocaine and crack were the majority of drugs in the past 12 months.

This past year has been a time when a number of serious criminal case's have required many long hours of investigative work, and these case's continue to be active as they near completion through the criminal justice system.

The crime lab is another busy area for the investigations unit. Many pieces of

evidence are collected over the course of a year from various crime scenes. From there, the evidence gets evaluated, processed and packaged for delivery to the state lab.

The detectives unit further attended 471 hours of training in various fields of investigations throughout the year. It is extremely important to maintain a high level of proficiency.

In the BCI Unit, some personnel changes were made in the past 12 months. The BCI Unit is also pleased to welcome Detective Corporal John Johnson from the patrol side of things to the investigations unit. He is already in place and carrying a case load. Another change was the loss of Detective Henry Alberico who left employment with the City Police for a career with the Vermont State Police. We wish him all the best.

The current make up of the Criminal Investigations Unit is as follows:  
Det./Sgt. Kevin Stevens, Det./Cpl. Johns Johnson, Det./Cpl Chris Kiefer-Cioffi, Det. Raymond LaMoria, Det. David LaChance, Det. Michael Notte, Det. Samson Delpha.

As part of the investigations unit, members continue to be proactive in the community and support many other agencies in their efforts. A new program in the early stages of development is a Rutland County Special Investigations Unit which will specialize in sexual abuse case investigations. Det. Michael Notte will be assigned to the specialized unit and will be part of a team assigned to Rutland County.

### **Administrative Support Unit**

The Administrative Services Unit has worked diligently this past year in its support for the Rutland City Police Department and the Rutland Community. The unit with its varying scope of responsibilities has maintained high standards of service and community care during this reporting period.

The Administrative Services Unit is comprised of a uniformed Sergeant, a uniformed Corporal, a uniformed Community Policing Officer, three School resource officers, a Down Town 'walking beat' Officer, two Records Custodians, and two civilians assigned to Animal Control and Parking Enforcement.

This has been a very busy and productive year. The Volunteers in Police Service program became fully operational due to the efforts of Officer Tuttle and his dedicated volunteers. The VIPS program received a donation of office space by Mark Foley which has provided a much needed operations center for them. National Night Out and the TRAIID Picnic were also very well received by Rutland County citizens.

The DARE Program was very successful in the interaction between the School Resource Officers, teachers, counselors and parents. The use of the decision making model was demonstrated many times over this school year. The School Resource Officers were very active in teaching, counseling and mentoring.

#### **Administrative Services Unit Statics:**

##### **Community Policing Officers**

Corporal Larson took on the responsibility of monitoring the over 450 residential and business alarms for current permits and ordinance compliance. Cpl Larson was also assigned to the Uniform Patrol Division during this reporting period to augment Day Shift One.

Officer Tuttle handled a total of 151 calls for services and complaints in addition to his other assigned duties.

##### **Records**

The Records Custodians processed 13,180 calls for service reports, 692 motor vehicle collision reports, 1,053 criminal arrests, and 4,222 Motor Vehicle Tickets. They also made finger print appointments for approximately 1,200 individuals.

##### **School Resource Officers**

The three School Resource officers handled a total of 540 Complaints in addition to their other school related duties.

##### **Down Town Beat Officer**

Officer Dumas handled a total of 307 Complaints in addition to the Community Care Services he provided to the Down Town Businesses and visitors.

##### **Animal Control**

Craig Petrie handled a total of 375 complaints and issued 41 Municipal Tickets. Petrie transported 147 cats and 28 dogs to the Rutland County Humane Society.

##### **Parking Enforcement**

Thomas LaFond issued 3,620 parking tickets which resulted in \$24,152.00 being collected. LaFond also 'booted' vehicles during this reporting period resulting in the collection of \$11,353.00 in past Due fines.

I would like to take this opportunity to thank the men and women assigned to ASU for their dedication, professionalism and compassion. This diverse unit has shown that it can adapt to any situation and still provide service and support to the community and its citizenry.

## Part I Crimes

### **Criminal homicide -**

- a. Murder and non-negligent manslaughter: the willful (non-negligent) killing of one human being by another. Deaths caused by negligence, attempts to kill, assaults to kill, suicides, accidental deaths, and justifiable homicides are excluded. Justifiable homicides are limited to:
  1. the killing of a felon by a law enforcement officer in the line of duty; and
  2. the killing of a felon by a private citizen.
- b. Manslaughter by negligence: the killing of another person through gross negligence. Traffic fatalities are excluded. While manslaughter by negligence is a Part I crime, it is not included in the Crime Index.

**Forcible rape** - The carnal knowledge of a female forcibly and against her will. Included are rapes by force and attempts or assaults to rape. Statutory offenses (no force used - victim under age of consent) are excluded.

**Robbery** - The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

**Aggravated assault** - An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. Simple assaults are excluded.

**Burglary-breaking or entering** - The unlawful entry of a structure to commit a felony or a theft. Attempted forcible entry is included.

**Larceny-theft (except motor vehicle theft)** - The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. Examples are theft of bicycles or automobile accessories, shoplifting, pocket-picking, or the stealing of any property or article which is not taken by force and violence or by fraud. Attempted larcenies are included. Embezzlement, "con" games, forgery, worthless checks, etc., are excluded.

**Motor vehicle theft** - The theft or attempted theft of a motor vehicle. A motor vehicle is self-propelled and runs on the surface and not on rails. Specifically excluded from this category are motorboats, construction equipment, airplanes, and farming equipment.

**Arson** - Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

## Part II Crimes

**Forgery and counterfeiting** - Making, altering, uttering, or possessing, with intent to defraud, anything false in the semblance of that which is true. Attempts are included.

**Fraud** - Fraudulent conversion and obtaining money or property by false pretenses. Included are confidence games and bad checks, except forgeries and counterfeiting.

**Embezzlement** - Misappropriation or misapplication of money or property entrusted to one's care, custody, or control.

**Stolen property; buying, receiving, possessing** - Buying, receiving, and possessing stolen property, including attempts.

**Vandalism** - Willful or malicious destruction, injury, disfigurement, or defacement of any public or private property, real or personal, without consent of the owner or persons having custody or control.

**Sex offenses (except forcible rape, prostitution, and commercialized vice)** - Statutory rape and offenses against chastity, common decency, morals, and the like. Attempts are included.

**Drug offenses** - State and local offenses relating to the unlawful possession, sale, use, growing, and manufacturing of narcotic drugs.

**Family/children (Offenses against)** - Non-support, neglect, desertion, or abuse of family and children.

**Liquor violations** - State or local liquor law violations, except "drunkenness" and "driving under the influence." Federal violations are excluded.

**Disorderly conduct** - Breach of the peace.

**Simple assaults** - Assaults and attempted assaults where no weapon is used and which do not result in serious or aggravated injury to the victim.

**Weapons; carrying, possessing, etc.** - All violations of regulations or statutes controlling the carrying, using, possessing, furnishing, and manufacturing of deadly weapons or silencers. Included are attempts.

**Prostitution and commercialized vice** - Sex offenses of a commercialized nature, such as prostitution, keeping a bawdy house, procuring, or transporting women for immoral purposes. Attempts are included.

**Gambling** - Promoting, permitting, or engaging in illegal gambling.

**Vagrancy** - Vagabondage, begging, loitering, etc.

**Driving under the influence** - Driving or operating any vehicle or common carrier while drunk or under the influence of liquor or narcotics.

**All other offenses** - All violations of state or local laws, except those listed above and traffic offenses.

# **Report of the Recreation and Parks Department**

**EJay Bishop, Superintendent**

To the Mayor, Board of Alderman and Citizens of the City of Rutland:

I am delighted to submit the annual report of the activities and accomplishments of the Recreation and Parks Department for the fiscal year of 2008-2009. This year brought new opportunities for the department and a chance to improve existing infrastructure.

Rotary Park the once regarded jewel of the city park system continued to get a face lift. This year the biggest step forward was the completion of two new tennis courts in connection with an LWCF grant. The final piece of the grant will be a new playground which will be completed before the end of next year. Also, with the help of the local Rotary Clubs, the department has reclaimed and reshaped many areas around the perimeter of the park that we hope will allow for a nice walking path in the future. These improvements are the beginnings of a much needed complete overhaul of the park. There are several other enhancements like the walking path which we anticipate working on over the next several years.

Giorgetti Park received significant development as we continued to work on the arena and "Pine Hill Trails". Once again thank you to the Pine Hill Partnership for their continued support of the trail system. With their efforts and all of the volunteers the Pine Hill Trails are flourishing! Flip Side Skate Park once again was successful with many young area skateboard enthusiasts taking to the improved park. The refrigerated ice arena opened for the second year and by all accounts was better than the first year. Finally, of special interest Winter Fest took off this year with over 1000 participants coming out to enjoy a fun filled day in the snow. The addition of the Rutland Regional Medical Center, Hathaway Farm and the Mentor Connector bolstered our existing partnership base of the Rutland Area Physical Activity Coalition, WJJR, Great Outdoors, Kiwanis, Green Mountain Rock Climbing Center, Café Terra, Hand On Minds On and Back Home Again Café to make for an awesome event. We're looking forward to next year!

The pool at White park once again received many guests interested in cooling off or swimming in Vermont's largest outdoor municipal pool. The swim team enjoyed another positive year and again hosted the Southern Vermont Swim Meet. The Godnick Adult Center was very active throughout the year and continues to offer an array of fine programming for our adults.

The Rutland County Recreation District received a setback this year when the Town of Mendon voted in September 2008 to leave the district leaving just Rutland City in the district. However, the plans to move forward with some type of community center didn't die with the district. The Rutland Recreation and Parks Department began discussions with the Boys and Girls Club of Rutland County about partnering to bring a center to fruition.

As you can see from the healthy list on the following pages, our program offerings continue to grow and thrive! The department presently provides programs attracting approximately 10,000 participants per year. Special events presented by the department draw 15,000 to 20,000 people yearly. The larger facilities conservatively combine for over 85,000 visits per year not including everyday use of the smaller parks. This department continues to provide a wealth of services far beyond the normal expectations of a City this size and the level of resources available. The combination of volunteers, local organizations, businesses, part-time staff and our full-time staff provide the resources necessary for this department to flourish. Thank you for continuing to allow me the privilege to serve you.

Sincerely,  
EJay Bishop, Superintendent

## **Facilities**

**Alexander Keefe Memorial Park** - Located on Water Street  
Playground equipment

**Center Street Alley Park** - Located inside the downtown block formed by Wales, Center, Merchants Row and Washington Streets.  
Benches & picnic area.

**Cioffredi Complex** - Located off Temple Street  
2 Softball Fields and open space.

**Community Gardens** - Located off Woodstock Avenue behind McDonalds  
Garden plots available for public use

**Dana Recreation Center** - 39 East Center Street  
Telephone # 773-1822; Fax # 775-2030  
Recreation Department offices, program/meeting rooms, and gymnasium.  
*Additional offices for:*

Killington Music Festival, Drum Journey's of Earth, RAPAC

*Classroom and conference space for:*

Rutland Mental Health, Head Start Classroom, EEE Classroom

**Depot Park** - Located on the corner off Merchants Row and Evelyn Street  
Benches and gardens, home of the Farmer's market from spring thru fall. In conjunction with Rutland Partnership, Thursday evening concerts and movies were held in the park several nights throughout the summer.

**Giorgetti Park** - Located off Oak Street Extension  
Telephone # 775-7976  
300 acres with 1 Baseball Field, 1 Softball Field, Giorgetti Arena (Flip Side Skate Park& an ice-skating rink) open fields and Pine Hill Trails with 14 miles of hiking and mountain biking trails.

**Godnick Adult Center** - 1 Deer Street  
Telephone # 773-1853  
Recreation Department offices, program/meeting rooms, exercise room, meal site, gazebo, shuffleboard courts, & open space.

**Justin Thomas Memorial Park** -  
Located on the corner of Madison and Prospect Streets  
Gazebo, playground equipment and picnic tables.

**Main Street Park** - Located on Main Street between West and Madison Streets  
Arboretum, bandstand and benches.

**Monsignor Thomas Connor Memorial Park** - Located off Meadow Street  
2 Basketball Courts, 3 Tennis courts, 2 Softball Fields (one with lights), open fields, and playground equipment.

**River Street Park** - Located on the corner of River and Meadow Streets  
Playground equipment and picnic tables

**Rotary Park** - Located off North Street  
Field House, 2 tennis courts, 1 basketball court, 1 youth baseball field, open fields & two handball courts.

**White Memorial Park** - Located at the end of Avenue B  
Swimming & wading pools, pool house, 1 youth baseball field, 5 tennis courts and 2 basketball courts.

## **Full Time Staff**

EJay Bishop, Superintendent  
Cindi Wight, Recreation Director  
Lori Hickey, Program Director @ Godnick Center  
Jay Thomas, Program Director  
April Cioffi, Program Director  
Jane Brown, Preschool Director  
Shawn Connolly, Administrative Assistant  
Bob Peterson, Parks Director  
Jay Siliski, Maintenance Foreman  
Jeff Pratt, Maintenance Specialist  
Steve Canney, Maintenance Specialist  
Ed Griffiths, Maintenance Specialist  
Hiram Brown, Maintenance Specialist

## **Capital Needs**

- Establish a capital replacement fund, which will allow for enhancements and renovations to all City parks and facilities. Many of the existing parks and recreation infrastructure is in great need of repair, replacement or major renovation.
- New Community Recreation Center

## **Dana Recreation Center Programming**

The Dana Recreation Center is the main office for the Rutland Recreation and Parks Department. Located at 39 East Center Street, the Dana Center offers a wide selection of programs, services and activities for the all citizens of the com-

munity. The following is a list of all the programs and activities offered this year through the Dana Recreation Center:

## Summer Programs

Adult Pick-up Volleyball	ages 18 & up
Baseball "Game" Camp	ages 9 to 12
Basketball Camps	grades 1-12
BMX Biking	ages 5 & up
Camp Danamore	grades 1-3
Camp Pine Hill	grades 4-6
Challenger Soccer Camp	ages 4 to 16
Chess Club	all ages
Community Gardens	all ages
Fencing	ages 12 & up
Field Hockey Camps	grades 2-12
Football Skills Camp	grades 5-8
Golf Camp	ages 7 to 14
Hoops Explosion	grades 5-8
In-Line Aggressive Camps	ages 5 & up
Integrative Yoga	ages 18 & up
Kripalu-Vinyasa Yoga	ages 18 & up
Lacrosse Camp	grades 4-12
Learning to In-Line Camps	ages 5 & up
Learn to Skateboard Camps	ages 5 & up
Outdoor Expedition Camp	grades 6-9
Open Swim	all ages
Pilate	ages 18 & up
Preschool Camps	ages 3 to 5
Pre-Season Soccer Camp	grades 7-12
Quarterback/Receiver Camp	grades 4-8
RAD for kids	ages 5 to 7
Shakespeare Production	grades 7-12
Skateboard Extreme Camps	ages 5 & up
Soccer Camp	ages 7 to 14
Strength Training	ages 18 & up
Summer Basketball League	ages 13 & up
Summer Running Series	all ages
Summer Youth Baseball Leagues	grades 4-12
Swimming Instruction	all ages
Swim Team	ages 5 to 19
Tai Chi	ages 18 & up
Tennis Explosion	ages 6 to 14
Tennis Camp	ages 6 to 15
Theater Camp	ages 6 to 18
Track Camp	ages 6 to 14
Youth Theater Play	grades 7-12

## Fall Programs

Adult Volleyball Leagues	ages 18 & up
Cheerleading	grades 4-8
Chess Club	all ages
Duathlon	all ages
Fencing	ages 12 & up
Guitar	ages 18 7 up
Harmonica	ages 18 & up
Hunter Safety	ages 10 & up

# Report of the Rutland Free Library Association, Inc.

**Paula Baker, Director**

As the economy slowed down the library served as the safety net for many in the community. Free programs for children substituted for family vacations, library subscriptions to magazines and newspapers were favored as personal subscriptions were dropped, the sale of used books went up, Netflix MUST have seen a decrease in the region because the library saw an increase. Job seekers turned to library computers and Internet connections in droves hoping to find other opportunities. And on it went...the stories we could tell.

Noting its 123rd birthday this year, the library has also been struggling with aging facilities in need of costly repairs and examining how well 21st century library services can be delivered a pre-civil war building designed as a post office. Trustees worked with city officials throughout the year as leaking roofs, flooding and mold plagued the building. Both bodies continue to talk through the possibilities. In the meantime the institution has been faithfully supported by the city in many, many ways, and also by Rutland Town, Mendon, Ira and Tinnmouth as well as the Friends of the Library and the Board's Development Committee efforts.

Mr. Mayor, here are the statistics you requested in lieu of lengthy reports: all numbers reflect activities and situations in the last fiscal year.

137,809	...	Visits to the library
109,806	...	Print items borrowed
80,301	...	Movies, music & recorded books borrowed
58,624	...	Database searches
56,670	...	Unique searches in the online catalog
15,842	...	Items borrowed each month
8,760	...	Hours databases and library catalogs available
6,199	...	New cards or renewals
2,582	...	Items borrowed from other libraries
400	...	Nonresidents who paid for a library card
288	...	Monthly average visitors to library programs
233	...	Downloaded books in the 1st three months of a new program
186	...	Community meetings and events
167	...	Library sponsored programs
151	...	Age of the post office/courthouse
74	...	Number of years the library has lived in the post office
59	...	Events especially for children
57	...	Hours open weekly, on average
42	...	Age of the first building addition

- 10 . . . .Internet stations
- 10 . . . .Staff full-time equivalent
- 7 . . . .Information format options
- 6 . . . .Days open each week
- 5 . . . .Communities who pay taxes to support the library
- 3 . . . .Jail cells
- 1 . . . .Wireless Internet server

# **Report of the Rutland City Board of School Commissioners**

**Peter Mello, President, Board of School Commissioners**

**Mary E. Moran, Superintendent of Education**

TO THE CITIZENS OF RUTLAND CITY:

Rutland City Public Schools is a learning organization that provides an outstanding educational opportunity to 2800 students at seven schools, two alternative sites, and the Stafford Technical Center. Our superior faculty and staff members focus on the needs of each and every child on a daily basis. Our new District Mission Statement concludes with this pledge/belief: "Every Student, Every Day." What follows is a basic and brief report on the status of the system.

Northeast and Northwest Primary Schools each serve approximately 250 and 290 students respectively in the Early Essential Education Program (EEE) through Second Grade. The Pierpoint Primary Learning Center, located at the former regional library, houses three EEE classrooms and is part of the Northwest/Pierpoint Primary School community.

The Rutland Intermediate School, located on Library Avenue, serves approximately 720 students in Grades 3-6. The Rutland Middle School, also located on Library Avenue, serves 325 students in Grades 7 and 8. Rutland High School, on Stratton Road, serves 1060 students. Approximately 250 students attend the full time program at the Stafford Technical Center, and over 800 adults take part in our Adult Education Program. Stafford programs continue to support educational and training opportunities for both the youth and adult populations of Rutland County.

The number of tuition students attending Rutland High School from Rutland Town, Mendon, Chittenden, Danby, Ira, Middletown Springs, Mt. Tabor, Pittsfield, Plymouth and Stockbridge remains strong. Continued progressive programming, including a large number of Advanced Placement and honors courses, an infusion of modern technology, the YES Plan and many additional offerings in the Fine Arts, have contributed to the consistent attractiveness of Rutland High School as the most popular school of choice for parents and students in the tuition-paying towns.

The Rutland High School Howe Center Campus serves 45 high school students in an off-campus alternative education and service-learning program designed to prevent students from dropping out of school. The SUCCESS School, located on Allen Street, serves approximately 50 students in grades K-12 who have had difficulties in adapting to a traditional classroom and school environment. This is a model program, which is conducted jointly by the Rutland City Schools and

Rutland Mental Health Services. SUCCESS combines academics, adventure-based learning, work and community service, and therapeutic services for students and their families in a way that better meets their needs, both in school and in the community.

We also offer an extensive co-curricular program for students from grade 3 through grade 12. In addition to a comprehensive athletics program, there is a wide range of clubs and activities that support student learning and development and keep our children active and safe in the after-school hours of each day. The Rutland City Fine Arts program is one of the finest in the nation, and has been recognized as such on two recent occasions. We invite citizens to attend the many music and theatrical performances of our students both in the schools and at the Paramount Theater, and to attend the various visual art displays around the community and at the Chaffee Art Gallery. In addition, the nationally recognized Tapestry Program serves over 600 children in after-school and summer programming offering extensive enrichment, tutorial, counseling, cultural and recreational opportunities.

Each school in Vermont strives to achieve, and is measured against, the Vermont Grade Expectations (GEs). The GEs are standards for all students that are measured in a number of ways. First, the state mandates that students in grades 3 through 8 and grade 11 be assessed using the New England Common Assessment Program (NECAP). For 2009, the Rutland City Public Schools as a district and each school individually achieved Vermont's targeted standard, known as Adequate Yearly Progress (AYP), for "all students." Students are also assessed using local tests and in class evidence of progress toward the same Grade Expectations. These assessments are used to design instruction and target intervention, or extra help, for students in need.

The health and well being of our students is at the forefront of our thoughts. After all, a healthy student will achieve more academically than a student carrying a number of risk factors. The 2007 Vermont Youth Risk Behavior Survey contains information about the health and lifestyles of students around the state and within the Rutland City Public School district. We monitor the data from this state-generated survey as well as local data to organize our health and wellness resources in support of students and families in Rutland. We are extremely proud of our ongoing relationships with community health and wellness agencies including Rutland Mental Health, Rutland County Head Start, the Department of Child and Family Services, the Rutland Regional Medical Center, and Rutland's Police and Fire Departments.

Your school district continues to operate in a mode of continuous improvement with a focus on professional development and student achievement. We are currently in the forth year of a major focus on student literacy Pre K through grade 12 and are implementing a strong co-teaching program that allows regular edu-

cation teachers and special educators to work in the classroom as a team in the service of our children. In addition to ongoing projects, teachers and administrators have recently developed a comprehensive, four-year, K-12 literacy plan.

Our use of instructional technology has expanded greatly and we are using Smart Technology to improve teaching and learning, K-12. Last year, we implemented the AlertNow communication system which was very well received throughout the community. In addition, we implemented a new student information system (SIS) called Infinite Campus this summer, which allows us to coordinate all information relating to students and follow their progress over time. In January, we will launch the Parent Portal of Infinite Campus, which will allow detailed information about their children to be shared with parents.

Rutland City Public Schools strive to offer an outstanding learning experience at a reasonable per pupil cost to the city taxpayers. For this school year the district's per-pupil cost is 7% below the state average for all districts, as is shown on the FY09 State education property tax bills. It is important to note that our district ranks 62nd of the 62 school districts in Vermont in spending on administration. In Rutland, we offer an outstanding educational opportunity for all of our children at a lower cost than the majority of the school districts in the state.

We look forward to continuing to work with you, our staff, and the students and families of Rutland City as we strive to provide the very best possible education for our community. "Every Student, Every Day"

FY09 Rutland City Non-Residential Tax payments are \$ 7,010,878 for total payments into the Educational fund of \$11,693,695, toward the cost of educating all Vermont schoolchildren.

Rutland School Department

In accordance with Rutland City Board of Education Policies, a free appropriate public education for all children with disabilities is guaranteed. If your child is disabled, or you know of a child with a disability from birth through age 21 who is not currently being served, please contact the Support Services Office at 773-1917.

# **Report of the Treasurer's Office**

**Wendy L. Wilton, Treasurer**

To the Honorable Board of Aldermen, Mayor & the Citizens of Rutland City

The year ending June 30, 2009 was a year of transition for the Treasurer's Office and the financial operation of the City. The accounting system was converted from MUNIS to NEMRC beginning July, 2008. This transition included general ledger, cash receipts, utility billing, accounts payable, and accounts receivable modules. Payroll was converted January 1, 2009 so that calendar year end tax reporting could be done under one system. Having one integrated accounting system for the City's financial operation has been a significant improvement in terms of ease of operation and clarity of reporting. Additionally, department heads and administrative support staff have access to financial reports to review revenues and expenses, which is very helpful to them in the day to day operations of the City.

The accounting system conversion has yielded over \$150,000 per year in savings as the annual cost of the previous system was greater than the new system. These savings represent the approximate cost of 3 full time City employees, with benefits, or 1.5 cents on the tax rate to put this into perspective for the voters.

The system conversion has taken extraordinary dedication and hard work on the part of the Treasurer's Office staff, including significant part time support due to the complexity of the project. Cathy Cioffi, John Coffin, Dawn Papineau-Curtis, Margaret Dugan, James Manning, Julie Tripodi and Penny Stein have all contributed many hours and tremendous focus on the conversion project. Special thanks must be given to Dawn Papineau-Curtis for her role in the payroll transition and to Assistant Treasurer James Manning for his role in ensuring the general ledger conversion went smoothly.

During fiscal year 2009 regular reports were given to the Board of Aldermen, department heads and the public via the City website, based upon reconciled accounts. The City's books were closed on June 30, 2009, and the audit fieldwork began on September 2, 2009. The audited financial statements are expected sometime in December 2009 and will be posted on the city website when available: [www.rutlandcity.com](http://www.rutlandcity.com) Preliminary year end reports for the general fund, water fund, sewer fund and parking meter fund are available on the website, comparing budget to actual results. If a member of the public needs printed copies, please contact me at 802-773-1800 x231.

As a part of the Treasurer's report, please find the following reports included:

- Bank balances as of June 30, 2009
- City Tax rates for FY 2010 compared to FY 2009
- Schedule of Debt and Serial Bonds, as of June 30, 2009
- Fiscal Year 2009 Disbursements, by Vendor
- Fiscal Year 2009 compensation for City employees (both City and School)
- List of Unpaid Taxes as of June 30, 2009
- List of Unpaid Water and Sewer Accounts as of June 30, 2009

*Current Expense Note (deficit repayment) reflects balloon payment of principal in 2011 if City does not refinance the remaining \$2,500,000 balance														

## As of June 30, 2009

*Rates with V are variable, current rate for FY 2009 shown, all other rates fixed. \*\*Paid by Rutland Public Schools*

# Expenses and Disbursements

The following is a list of payments made to vendors and individuals from the City's general account, including disbursements for all four major funds. Some of the items are disbursement payments for which the City received funds from another source. Please note that while payments are made from City accounts, many of those payments are actually "pass throughs" from the City to an outside vendor (e.g. Body Tech Nutrition, Inc. was paid \$25,490.00 for conducting fitness classes at the Recreation Department. These funds came from participant enrollment fees, for the classes themselves, not from City taxpayers).

# List of Unpaid Taxes as of June 30, 2009

The list of unpaid taxes as it appears on the records of the City of Rutland as of June 30, 2009 pursuant to 1 VSA Chapter 5, Subchapter 3. Persons listed are the owner(s) of record as of April 1 the year preceding the tax year as shown. Subsequent to the date are taxes that are delinquent. The City realizes that transfers may have occurred subsequent to April 1 and that taxes became due and delinquent and such listed individual(s) may not be responsible for the amounts indicated. Amounts shown are taxes only, exclusive of interest and penalties.
